### Growing Up WILD - Environmental Education/Continuing Ed

Age: 18 years and up. Growing Up WILD is an early childhood education program that builds on children's sense of wonder about nature and invites them to explore wildlife and the world around them. This workshop counts as a Criteria I credit in the NC Environmental Education Certification Program. Please bring a bag lunch. Advance registration is required for this program. Free

Location: Conference Room

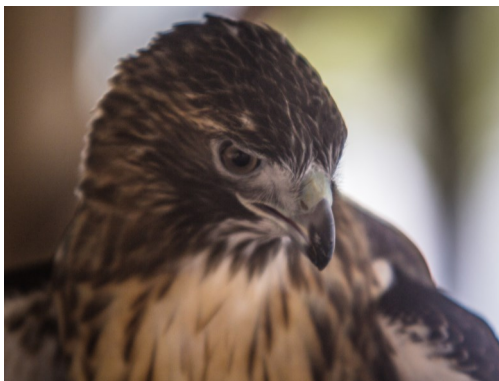

#216399 February 15 Th 9-4 PM

### Flying WILD - Environmental Education/Continuing Ed

Age: 18 years and up. Flying WILD provides activities to teach middle school students about birds, their migration, and what people can do to help birds and their habitats. This workshop counts as a Criteria I credit in the NC Environmental Education Certification Program. Participants should bring a bag lunch and dress for the weather. Advance registration is required for this program. Free

Location: Conference Room

#216406 March 21 W 9-4 PM

### Family Fishing

Age: All ages. Join us for this fun fishing program! Participants will learn how to cast and set up a rod and then go fishing in the lake. This is a great way to spend an afternoon with the whole family! Equipment is provided including rod, reel, and bait. Adults must accompany children under 12. Adults attend free. Advance registration is required for this program. \$4

Location: Shelter 1

#214264 March 4 Su 1-3 PM

#214265 April 1 Su 1-3 PM

### Map and Compass Basics

Age: 12 years and up. Have you ever been lost in the woods? This course will teach you the skills needed to navigate using a map and compass through fun, hands-on experience. We will end the course with a fun orienteering activity. Advance registration is required. \$10

Location: Shelter 4

#214691 March 10 Sa 1-2:30 PM

#214782 March 25 Su 1-2:30 PM

### Photography in Nature

Age: 18 and up. This course is for those looking to take great photographs in nature but do not know where to look. Focus will be on where to find wildlife, flora and fauna identification, and timing. This course will include hands-on application. Please dress for the weather and bring your own camera. Advance registration is required for this program. \$10

Location: Conference Room

#214758 March 15 Th 5-7 PM

#214783 March 31 Sa 9-11 AM

### Gardening For Pollinators

Age: 18 years and up. Prepare your garden for spring by planting for pollinators. Learn how pollinators play an essential role in every ecosystem and what to plant to provide food and habitat for them. Participants will go home with a plant of their own and knowledge of how to start their own pollinator garden. Advance registration is required for this program. \$6

Location: Shelter 1

# 214268 March 18 Su 1-2:30 PM
